**National Concrete Canoe Competition Volunteering**  
Evergreen Lake, Evergreen, CO  
June 6, 2017

There was a lot of excitement out on Evergreen Lake for the 30th Annual ASCE National Concrete Canoe Competition. For 2 SEAC YMG volunteers, it was a great day to spend the afternoon timing races and helping with clean-up after the event. Congratulations to all of the teams who came out to compete and to the Colorado School of Mines ASCE for hosting the event. We were glad to do our part to make this event a success.
